# Legend

When you see this icon next to a product, it means you can order it through our “do it yourself” website. You can upload your own or pick from our ready to go templates. A great way to lower costs.

Visit [www.imagineitprintit.ca](http://www.imagineitprintit.ca) to get started!

When you see this icon next to a product, it is telling you that this item is a great option to be set up on your very own B2B print ordering system. You can have the item set up online in an account set up for your company. Cut out the back and forth and get your items quicker. All you have to do is log in and order!

This icon means the product you are looking at is great for variable data printing. While any item can be used with variable data, the ones we point out work best. Mailed ads do not have to be generic. Make each one personal and get a better bang for your buck. The power of 1 to 1 marketing is real. With our help, it can work for you too.

# Just Because It's Not Listed...

... Doesn't mean we can't do it!

Unigraphics was built to be able to provide all types of printing under one roof. So, if you don't see what you are looking for in this product guide, then contact us and tell us what you need.

We want to help you get your printing done. We have done countless custom and unique jobs. We have experienced people who know all about printing.

And in the end, if it is something we are not equipped to handle, we may be able to recommend a company who can.

We have been in business for over 100 years. We know what it takes to make it in this business. We guarantee that you will be happy with your order because we hold ourselves to printing nothing but the best.

With Unigraphics Limited, your printing is in good hands.
